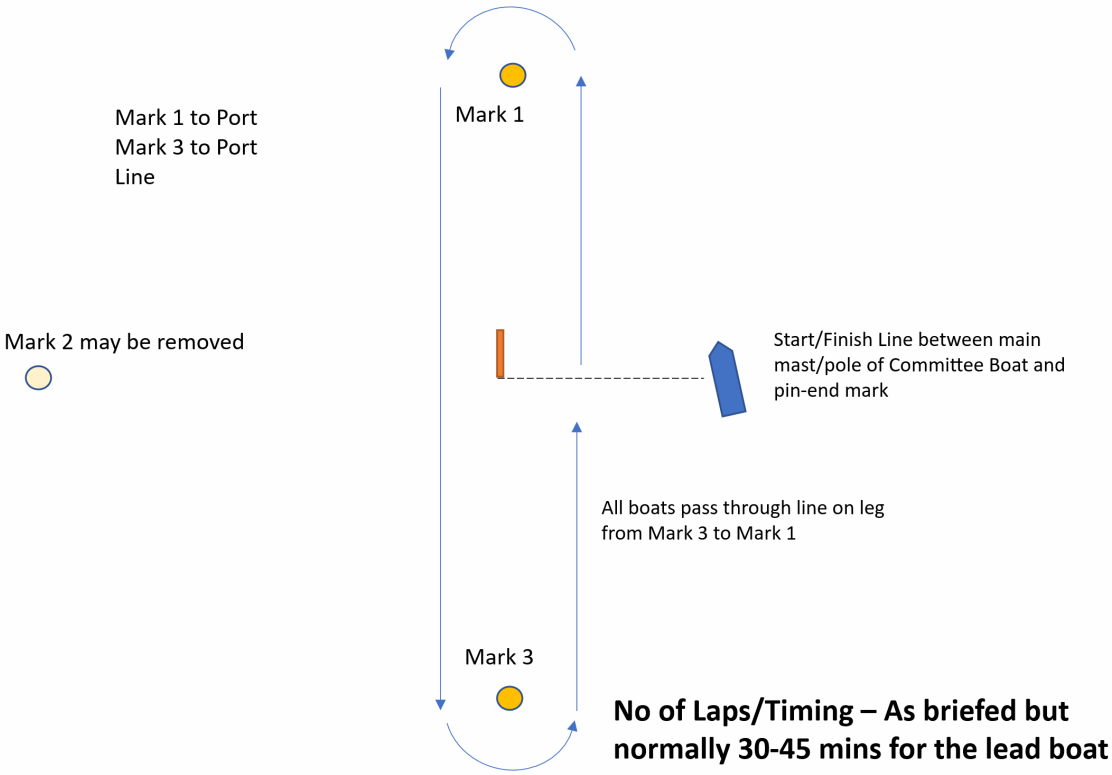
APPENDIX C – COMMITTEE BOAT START LAID COURSES

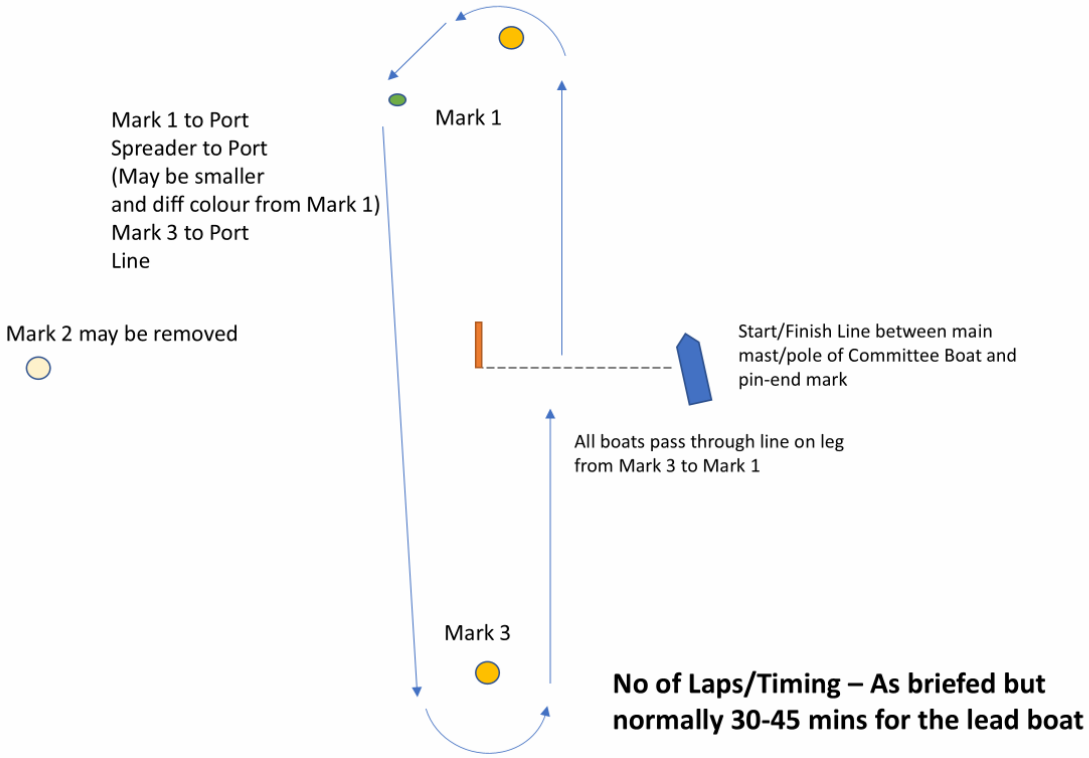
COURSE 1 – Windward-Leeward



Note 1 – For Course 1 (windward/leeward) only, a ‘spreader’ mark at the windward mark may be used (left to same side as the windward mark). This will not necessarily be the same size/colour as the windward mark. Details will be briefed by the OOD for specific races.

Timing for committee boat races shown incorrect timing will be 45-55 minutes

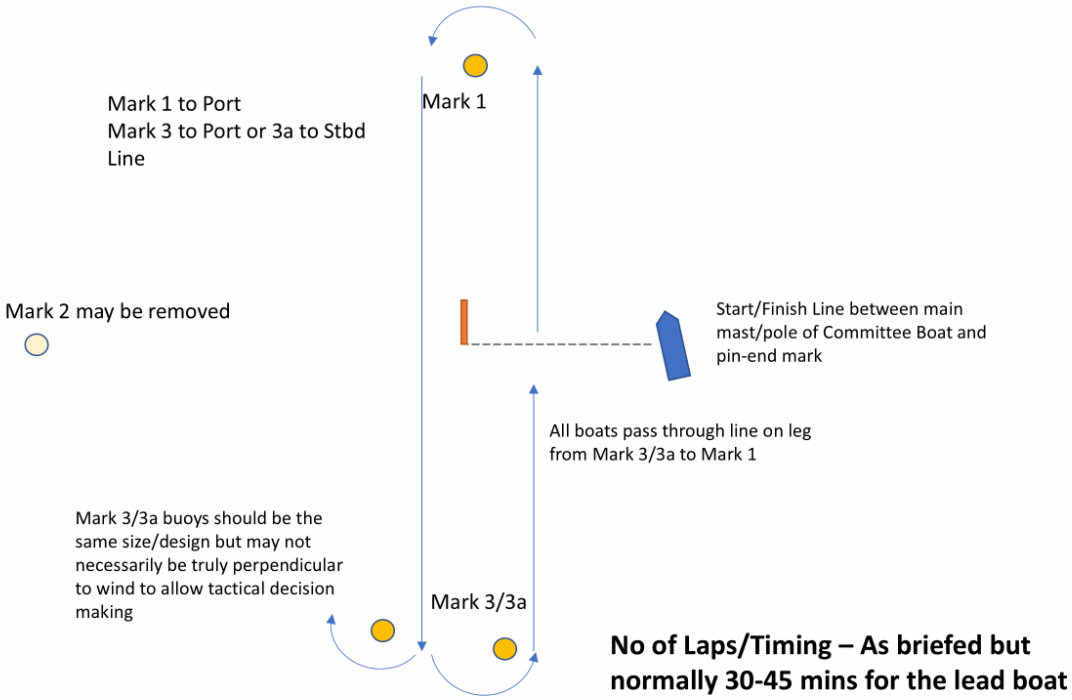
COURSE 1 – Windward-Leeward – Spreader mark used



Note 2 – For Course 1 (windward/leeward) only, a pair of leeward ‘gate’ marks may be laid. The marks should be of the same design and colour to aid identification but may not be truly perpendicular to the wind to allow tactical decision making by competitors. Details will be briefed by the OOD for specific races.

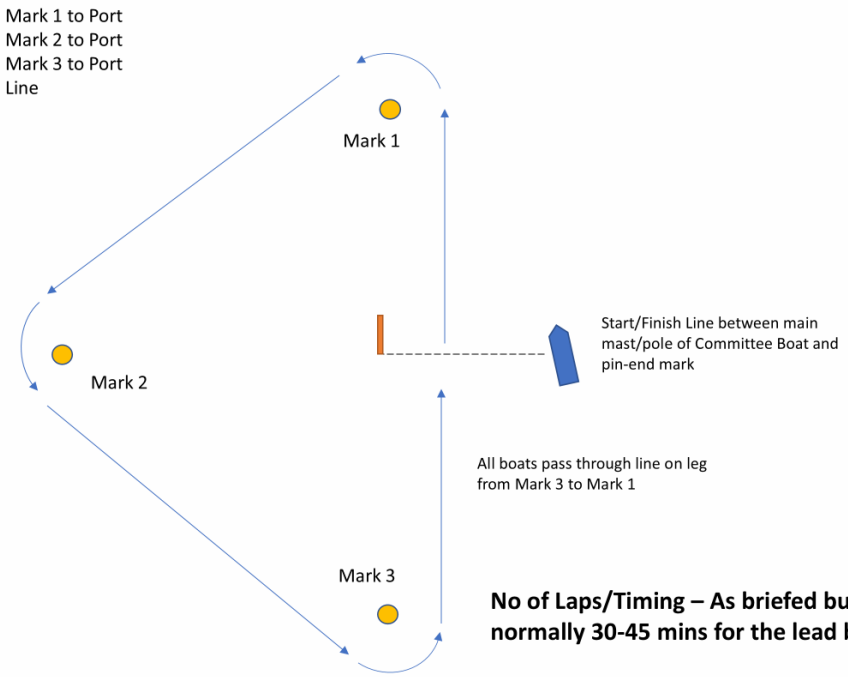
Timing for committee boat races shown incorrect timing will be 45-55 minutes

COURSE 1 – Windward-Leeward with Leeward 'Gate'



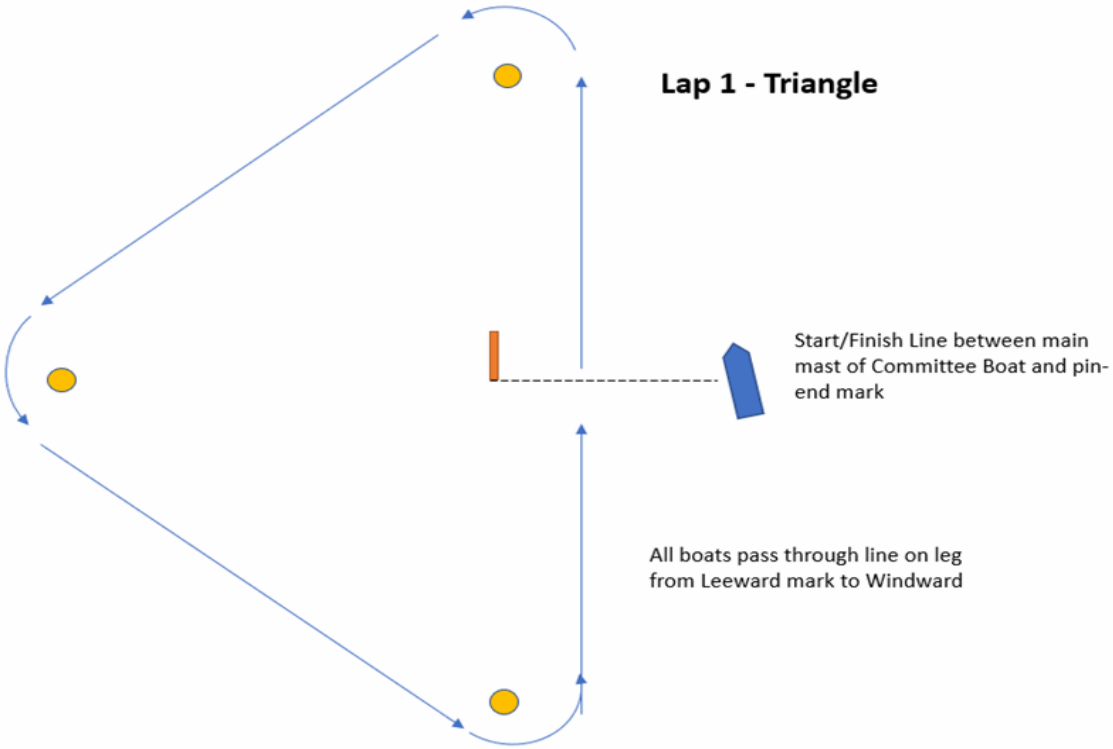
No of Laps/Timing – As briefed but normally 30-45 mins for the lead boat

COURSE 2 – Triangles

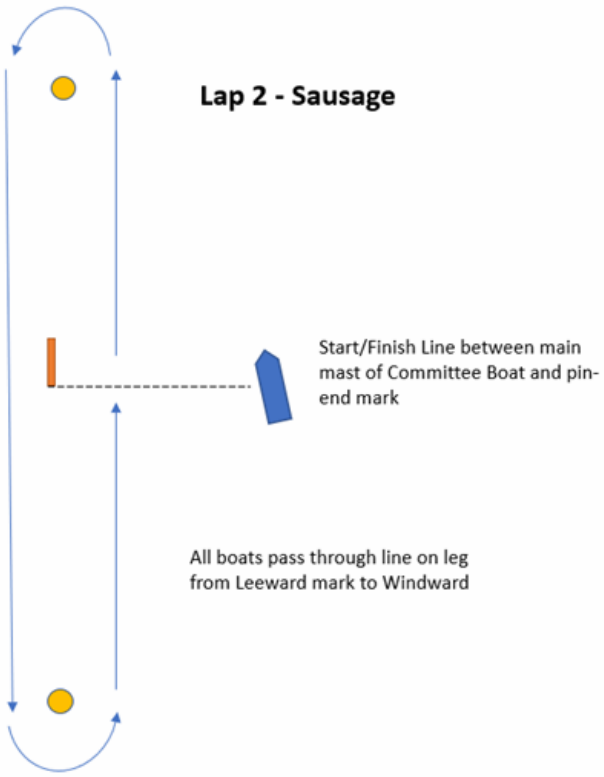


No of Laps/Timing – As briefed but normally 30-45 mins for the lead boat

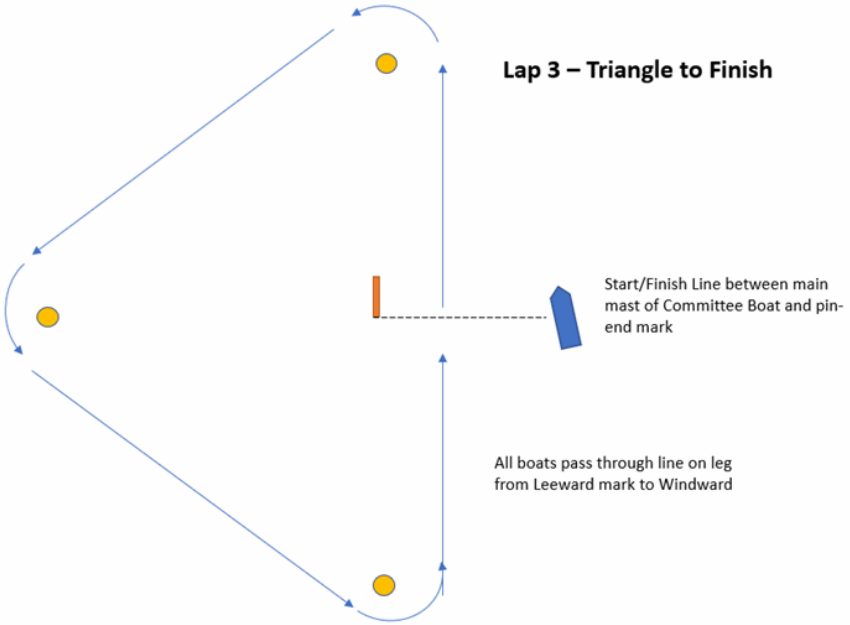
COURSE 3 – Triangle Sausage-Triangle

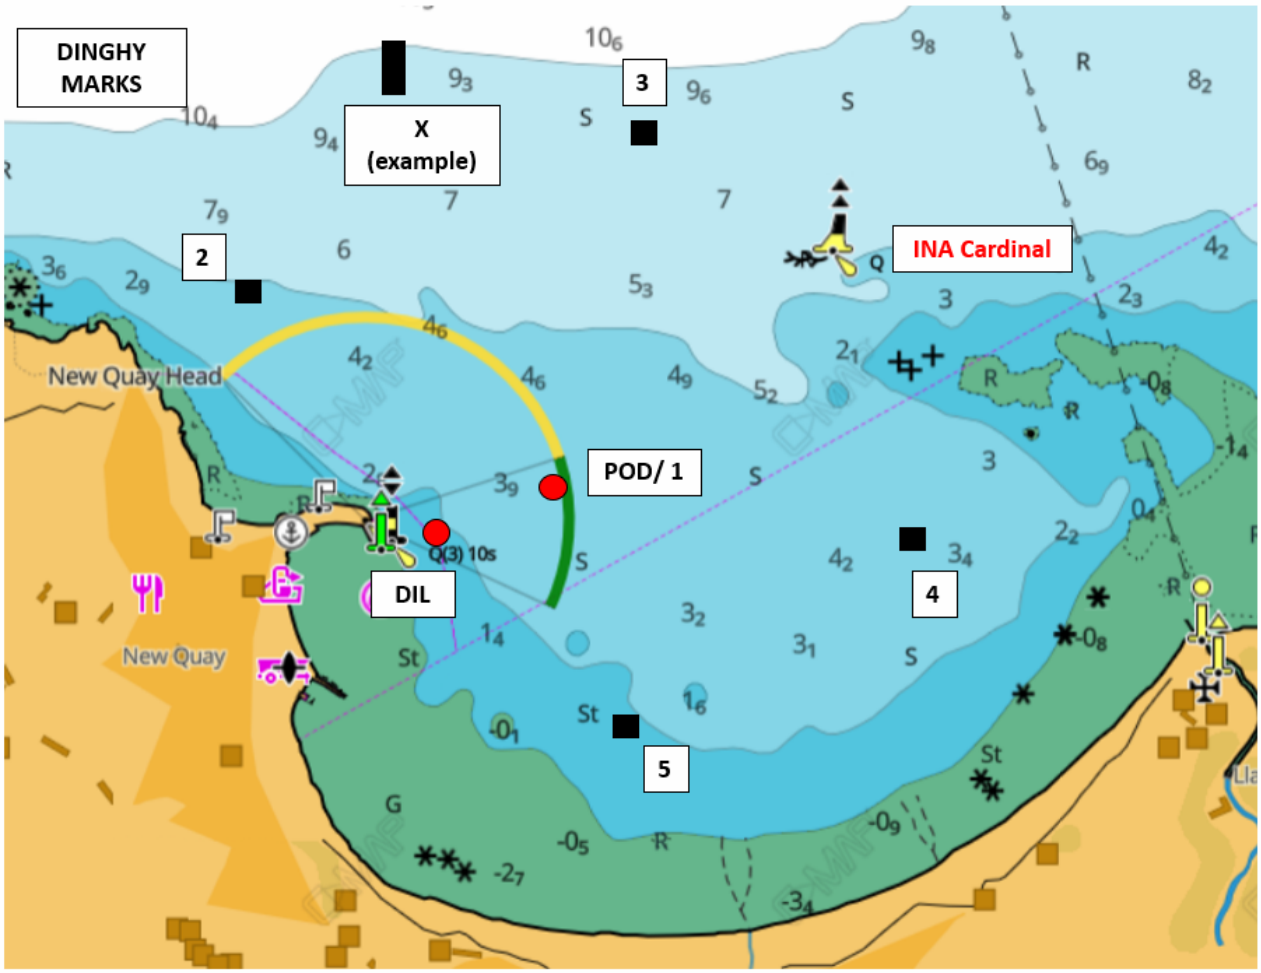


COURSE 3 – Triangle Sausage-Triangle



COURSE 3 – Triangle Sausage-Triangle





1. Starting and Finishing (unless a course is shortened at a mark) will be from the Pier Head using POD/1 as an outer limit mark and the small diamond pole on the pier. Dinghies must pass between 1/POD and the Dinghy Inner Limit during and after the start and not impede Commercial trip boats if at all possible.
2. Course/Mark Boards indicating the Course to be used (Appendix C) or the order and direction of rounding of marks will be displayed no later than 1 minute before the Warning signal.
3. Unless briefed otherwise by the OOD, all Marks are large, Yellow Tetrahedron Buoys number,
